Staying Covid19 Secure

We confirm we have complied with the government's guidance on managing the risk of Covid 19

FOUR STEPS TO SAFER WORKING TOGETHER:

We have carried out a Covid 19 risk assessment and shared the results with our team.

We have cleaning, handwashing and hygiene procedures in line with guidance

DO NOT visit the salon if you feel unwell or if you are showing any Covid19 symptoms.

We have taken all reasonable steps to maintain 'distancing' within the salon; and whilst this is impossible during treatments we have done everything practical to manage transmission risks.
