Ultra Deluxe Body Masque 30 mins, £22

This luxurious full body treatment is designed to revive your skin using a super-rich hydrating masque infused with aromatherapy oils. Once the masque has been applied your body will be gently encased in a thermal wrap to lock in body heat and aid absorption of the rich cream and oils.

Helping Hands 15 mins, £16

Let us help your dry, sanitised Covid hands to heal. Sit back and relax whilst your hands and arms are massaged with a deep exfoliating pomegranate scrub. This is followed by the application of a rich cocoa butter masque and a warm wax hand bath to allow the cocoa butter to soak in, rehydrate and bring your skin back to life! Nails will be finished with cuticle oil.

Fabulous Feet 15 mins, £16

Following a massage with invigorating tropical ginger foot scrub to remove dead skin cells, we will apply a fresh fragrant peppermint cream foot masque to relieve dry, hard skin. Your pampered feet will then be dipped into a relaxing warm wax foot bath which will help the cream to soak into your skin leaving your feet soft, much smoother and feeling Fabulous!
